PRESS RELEASE

DATE: 15 January 2005

FOR IMMEDIATE RELEASE

Machine Worx receives Omnitech Systems, Inc Dealer of the Year for 2004.

We are proud to announce Machine Worx was recently presented with the Dealer of the Year Award by Omnitech Systems, Inc.

“We value our business partnership with Omnitech and would like to thank them for this honor. The value of the Selexx series of CNC Routers and the service provided by Omnitech is simply the best on the market today. Our customers recognize this tremendous value and it makes our job as a dealer much easier. On behalf of everyone at Machine Worx, we would like to thank our customers for helping make us #1! We appreciate your confidence in us as we continue to strive to meet your expectations.” – Roger Taylor, President Machine Worx, LLC
